TRADITIONAL BALI MASSAGE

60 min: 220K 90 min: 280K

Combining different massage techniques, pressure points, sliding and kneading, this massage works deeply on the muscles, leaving the body relaxed. Balinese massage is believed to relieve sleep disorder, muscle pain and sport injuries.

HOT STONES MASSAGE

90 min: 350K

Hot stones therapy is a powerful massage technique that involves Bali riverbed stones. The effects of this ancient form of healing have been proven to release tension in muscles and increase blood circulation.

SIGNATURE MASSAGE

60 min: 250K 90 min: 300K

A combination of Balinese massage, back and shoulder massage and foot reflexology, to relieve muscular tension and decrease the physical effect of stress, with hot towel and specific Balinese massage oil.

FOOT REFLEXOLOGY

60 min: 220K

Reflexology is based on the belief that each body part is represented on the feet and that pressing on specific areas of the feet can have therapeutic effects on the other parts of the body.

The points can be a sign that stress and its effects have begun to accumulate in the corresponding parts of the body.

Reflexology helps to release of toxins from the major organs of the body, increase blood circulation and improves one's overall health.
