About The Area

CANGGU, BALI

Canggu Beach is a coastal village and an up-and-coming resort area that is roughly situated between Seminyak and Tanah Lot.

The coastline of Canggu comprises different black-sand beaches, almost all with surf breaks that are popular haunts of surfers from around the world. These include the beaches of Berawa that borders just north of Seminyak's Batubelig beach, Batu Bolong, Batu Mejan aka 'Echo Beach', Pererenan, Seseh and Mengening just south of Tanah Lot.

Seminyak is Bali's most stylish and upscale beach resort area. It's home to some of the island's most luxurious places. It also a host to many new restaurants, boutiques and fashion stores. You can also find some of Bali's top dining spots where international chefs cook up world-class cuisine. After sunset a livelier nightlife scene takes over. Hotspots in Seminyak have all garnered an international following.

The Do's & Don'ts

The Do's

For your snack break and picnics, please make sure you don't leave any rubbish behind!

When you buy products, give priority to local producers, talented designers & artists (visit a market, for example), this way, you are supporting the local community and bringing a real piece of Bali home.

It is important to respect certain rules in temples as well as on the road as it might be quite different to what you are used to. Tolerance is a key to appreciation.

The Don'ts

Don't just try ONE Balinese specialties, try them all! Nasi Campur, beef rendang and sweets. They are amazing!

At the beach, in the water or in the streets, use a portable ashtray for your cigarettes butts!

You will find many taxi on the main street. We recommend you use “Bluebird” taxi, “Grabtaxi” or “Gojek”. All mentioned companies have apps available on Apple & Android app store. Gojek also delivers food to your door, check out the App. For the more adventurous ones, we can help you with bike rentals as well.

Things to do

We are happy to provide you with information about nearby places of interests, and we will help arrange transport and make bookings if needed. Feel free to ask our staff about the local area as we all live nearby. We will be able to give you insights into some of the fascinating aspects of local living in Bali. In the meantime, here are a few suggestions:

1. It is possible to walk along the beach from Canggu all the way to Kuta in the south. You will find many small beach bar sand beachfront hotels to enjoy your sunsets with a cocktail. Note: currents and waves can be strong and only a few areas have life guards. Our favourite beach club on the island: Sunday’s Beachclub in Uluwatu!

2. Covering 3.8 hectares of tropical parkland in Kuta, Waterbom Bali has 16 water slides (including The Climax with its 360 degree loop) to entertain the young and those who are young at heart. It’s a great family day out, but go early to beat the crowds.

3. Make it a point to visit the sacred Pura Tanah Lot, one of Bali's biggest tourist magnets. Perched high on a craggy, wave-lashed rock, this ancient sea temple is best savored at sunset but is less busy in the morning.

4. Explore the spiritual and cultural heart of Bali: Ubud. Then head to the stunning unesco protected Jati luwih Rice field terrasses.

5. Head north to explore the volcanic lakes near the mountain town of Bedugul, including Lake Bratan with its photogenic and stunning Pura Ulun Danu – one of Bali's most important temples. Last but not least, the Uluwatu Temple nestled at the southern tip of Bali.

6. Fashionistas, you are already at the right spot in Seminyak! Here, you can indulge for hours in the glut of stylish, chic boutiques.

7. Play a round at the sceni Kuta Bali Golf Course. Or just head down towards Bukit Pandawa Golf Course.

8. Drive westwards to explore the charming Tabanan Regency, revealing rice field terraces of emerald green. Hike the Batur volcano to see the most stunning volcanic panorama and sunrise.

What if it's raining?

Here are a few indoor activities to inspire you:

- Watch a movie at the Kuta Beach Walk "Premiere Cinema"
- Take a Balinese Cooking Class
- Take a Yoga class at Desa Seni Canggu or Seminyak Yoga Shala.
- Have a relaxing afternoon tea in one of the beachfront resort in Canggu
- You can also visit CANGGU CLUB recreation club and play: bowling, trampolines or indoor sports activities
